MUKESH CHAUDHRAY

Mukesh Chaudhary is the Co-Founder & Managing Director of Bizyocon, a creative and growth-focused digital marketing agency based in Gandhinagar. He is also the co-founder of **Welooxa**, a video production company dedicated to crafting high-quality brand stories.

He sharpened his communication and sales skills at **Vodafone**, followed by technical roles in **Airtel** and the **Adani Group (via Wipro)** — giving him strong exposure to corporate systems, client behaviour, and technology.

In 2021, driven by a desire to build something of his own, he founded **Zedwel Digital Marketing**, which later evolved into **Bizyocon**, a stronger and more focused identity with the vision of becoming a brand's ultimate growth partner.

With hands-on experience across **FMCG, e-commerce, real estate, education, manufacturing, and influencer marketing**, Mukesh creates marketing strategies that blend creativity with real business outcomes.

He believes digital marketing is not just about metrics; it is about **understanding people, crafting stories, and building trust**. His focus remains on helping brands become seen, heard, and remembered through authentic storytelling and impactful digital communication.
